

## PROLIFE FACTS

With the possibility of legalising assisted suicide in New Zealand being raised in recent times, Right to Life recognises that it is very important part of their work to promote awareness of the high quality palliative care and support that is available in New Zealand for terminally ill patients. The Right to Life Annual General Meeting will be held in Christchurch at 7:30 p.m., Monday April 24<sup>th</sup>, and will feature Vicki Telford as the guest speaker. Vicki is a registered nurse who is currently working at Nurse Maude Palliative Care Service, as an End of Life (EOL) Facilitator, Clinical Nurse Specialist, and Aged Residential Care and Family Support Coordinator. Vicki has a strong interest in empowering and developing best end of life practice through education and her overall passion is ensuring best practice and quality of care in aged care settings and dementia care. She has been a member of the Last Days of Life Working Group, which has developed guidance to inform best practice throughout New Zealand. Those attending the Right to Life Conference will have the opportunity to hear Vicki speak on the topic of "Ensuring people live well until they die". All members and supporters are invited to attend and hear this informative talk. **For more information about the AGM or for more pro-life information, go to: [righttolife.org.nz](http://righttolife.org.nz).**
